## HIGHLIGHT OF THE MONTH

## QUICK LINKS

### Four new innovation and change management partners

As part of the partnership with Financial Sector Deepening Africa (FSDA), we have launched four new innovation and change management projects with the following organizations: [Britam](#) (Kenya), [Nyala Insurance Company](#) (Ethiopia), [AXA Mansard](#) (Nigeria) and [SUNU Assurances Vie](#) (Côte d'Ivoire). In addition, [Kifiya](#) and [Equity Insurance Agency](#), our existing innovation partners will receive support on implementing a systematic change management process to more effectively provide insurance to the low-income market. To learn more about each project, click [here](#).

## KNOWLEDGE UPDATE

### Briefing Note: Guidelines for consumer education interventions

[Camyla Fonseca](#), the ILO's Impact Insurance Facility

Be sure to check out our latest Briefing Note, "Helping farmers understand index insurance: Guidelines for consumer education interventions". It provides an overview of the issues covered in last month's paper on how to educate customers about index-based insurance products.

### Don't forget to sign up!

*Witnessing the real deal*

### Watch our webinar on the role of governments in scaling up agriculture (index) insurance

The ILO's Impact Insurance Facility

In case you missed it, or want to watch it again, we have now uploaded our latest webinar. This webinar continued the discussion we had in February on governments as important catalysts for developing the agriculture insurance market.

### Latest I2I Client Insights Focus Note: How alternative data is unlocking new markets for financial services

I2I Facility

The latest Client Insights Focus Note of the I2I Facility covers the increasing adoption by the private sector of alternative data sources and analytical methodologies for financial service provision. If you are interested to learn more about alternative data, please click [here](#).

### A visit to a microinsurance program in Egypt

*Credit on the cusp*

## NEWS FLASH

### Impact Insurance Forum 2016: Becoming a digital insurer

Do not forget to sign up for this year's edition of the ILO's Impact Insurance Forum on 15 November in Colombo, Sri Lanka. The Forum is a pre-conference session and part of the [12th International Microinsurance Conference](#), which is hosted by the Munich Re Foundation, IASL and the Microinsurance Network. The Impact Insurance Forum will this year focus on the theme of "Becoming a digital insurer". Click [here](#) to register.

Housed at the International Labour Organization, the Impact Insurance Facility enables the insurance industry, governments, and their partners to realise the potential of insurance for social and economic development. The Facility was launched in 2008 with generous support from the Bill & Melinda Gates Foundation, and has received subsequent funding from several donors, including the Z Zurich Foundation, Munich Re Foundation, the World Bank Group, USAID, AFD, FSDA, Africa Re and AusAID.
