Save the date: Impact Insurance Forum 2017

We are excited to announce this year's edition of the ILO's Impact Insurance Forum to be held on 7 November in Lima, Peru. The Forum is a pre-conference session of the 13th International Microinsurance Conference hosted by APESEG, the Munich Re Foundation and the Microinsurance Network. The Forum will focus on "Insurance for resilient value chains". Click [here](#) to register.

NEWS FLASH

The Facility at your Doorstep: Training opportunities in Kenya, Senegal and Laos!

We have a packed training schedule coming up! In September, there will be two trainings in Kenya on distribution and health and one in Senegal on distributing insurance through MFIs. Later in November, we will be in Laos for a training on responsible insurance. Find the full agenda on our [Doorstep page!](#)

Webinar in French: "Serving the rural populations with insurance in West Africa - Experiences of the ILO's Impact Insurance Facility"

On September 6, we will conduct a French spoken webinar on "Serving the rural populations with insurance in West Africa". We will discuss the importance of understanding and profiling rural clients in order to better adapt offers to the needs of these populations. Click [here](#) for more information and registration.

13th International Microinsurance Conference: registration now open

Registration for the International Microinsurance Conference is now open. All the details about the conference and registration can be found on the [Munich Re Foundation website](#).

Microinsurance Network Consultative Forum

Registration for the Microinsurance Network's Consultative Forum, happening alongside the 13th Microinsurance Conference, has been opened. Information about the Forum and registration can be found on the [MIN's website](#).

Satellite technology accelerates insurance coverage in India's crop insurance programme

Insurance coverage in India has surged in the recent cropping season. For the first time in India, a state government made use of satellite data in assessing

Housed at the International Labour Organization, the Impact Insurance Facility enables the insurance industry, governments, and their partners to realise the potential of insurance for social and economic development. The Facility was launched in 2008 with generous support from the Bill & Melinda Gates Foundation, and has received subsequent funding from several donors.
