KNOWLEDGE UPDATE

New posts from Ethiopia on the Facility blog

[Olisa Gravney and Enock Sing'oei, the Facility](#)

In case you have not done so already, now is the time to start following the Facility's blog on Medium! Two of our latest blogs come from Ethiopia, where our Fellows have written on very different topics: [working with traditional funeral societies \(iddirs\)](#) and [paying claims for a livestock insurance product](#).

Emerging Insight: Getting to the bottom of claims turnaround time

[Britam](#)

Timely claims processing is crucial for client satisfaction and value. Take a look at Britam's experience reviewing their process, identifying bottlenecks and coming up with solutions to reduce claims processing time.

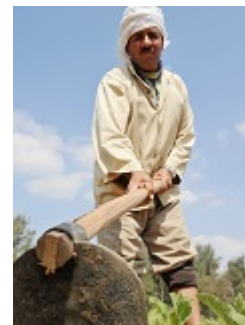

Our 2016 Annual Report: now also available in French and Spanish

[The Facility](#)

The Facility is delighted to announce the [French](#) and [Spanish](#) translations of its Annual Report 2016! The report highlights our achievements over the past year, such as our new innovation projects, our Fellowship Programme and our increased capacity building activities.

Housed at the International Labour Organization, the Impact Insurance Facility enables the insurance industry, governments, and their partners to realise the potential of insurance for social and economic development. The Facility was launched in 2008 with generous support from the Bill & Melinda Gates Foundation, and has received subsequent funding from several donors, including the Z Zurich Foundation, Munich Re Foundation, the World Bank Group, USAID, AFD, FSDA, Africa Re and AusAID.
