KNOWLEDGE UPDATE

Emerging Insight: Ten years of impact insurance

The Facility is celebrating its ten-year anniversary. Despite a drastically changed environment, many products, technologies and players that took their first steps with us a decade ago are now well-established, while other promising initiatives are just beginning. In [this Emerging Insight](#) we reflect on the key trends of the last decade.

Housed at the International Labour Organization, the Impact Insurance Facility enables the insurance industry, governments, and their partners to realise the potential of insurance for social and economic development. The Facility was launched in 2008 with generous support from the Bill & Melinda Gates Foundation, and has received subsequent funding from several donors.
