**06 November 2018, 8:30-12:30**

**Taj Padmozi Hotel, Room Mupani 1**

**Lusaka, Zambia**

### Registration

Registration to the Forum is free for all Conference participants, but places are limited! Register now to guarantee your place at <http://www.impactinsurance.org/registration/impact-insurance-forum-2018>.

### Overview

The ILO's Impact Insurance Forum provides an interactive and open environment for discussing

lessons learned and exchanging experiences on forefront issues confronting practitioners working in inclusive insurance. Since its debut in 2008, the Forum has attracted and inspired hundreds of insurance practitioners and consistently received excellent ratings for relevant content, credible speakers and engaging methods.

### Theme

The ILO's Impact Insurance Facility is celebrating its 10-year anniversary in 2018. Over the last ten years, we have grown and changed with the industry. Together, we are proud of the decade-long journey to claim a new place for insurance as a vital element of social and economic development. This year's forum will be an opportunity to take stock of where we are, what we have learnt over the past ten years and how these lessons will shape the next years of impact insurance. Do not miss the chance to join us and some of our partners in sharing lessons and experiences, examining current trends, and presenting ideas for the future.

### Target audience

As in previous years, the Forum is targeted towards insurance practitioners, including insurance providers, risk carriers, and distribution partners. The discussions will also benefit specialized government agencies dealing with inclusive insurance.

### Forum language

The Forum will primarily be in English.
