Mother Child Rescue Project (MCRP) [1]

About the Product(s)

Countries of Operation: Uganda
Product status: Active
Number of Members: As of December 2005, the scheme had enrolled 121 families with 527 beneficiaries.
Institutional Model: Healthcare provider-driven
Type of Coverage: Voluntary
Type of Policy: Group policy
Provider of health services: Private providers

The scheme is affiliated with Bushenyi Medical Centre.

Benefits and services covered: In-patient and out-patient care

Benefits include health education, preventative care, out-patient and in-patient care at the satellite clinic of Bushenyi Medical Centre, HIV/AIDS care at specific locations, ante-natal and post-natal care and delivery, and transportation to main hospitals in the event of complications. The scheme also offers an expanded radio communications network to improve care.

Premium Amount: The premium is Ushs. 60,000 (US$23.35) per year for the first four member of the family. Additional family members can be added by paying a supplementary fee of Ushs. 12,000 (US$4.67) per year (as of 2005).
Frequency of premium payment: Payment in regular installments
